Hi Folks –

Just wanted to check to make sure you have this on your calendar. Sorry if you already responded – I thought Outlook would record your responses but now I'm thinking it does not. Please confirm.

We are also trying to add a briefing on the City's findings from the RM 11E sediment/bank sampling effort to the agenda. Will let you know if that gets confirmed.

Karen

Subject: Briefing on City Outfall Investigations (Portland Harbor)

When: Tuesday, December 08, 2009 1:00 PM-4:00 PM (GMT-08:00) Pacific Time (US & Canada).

Where: 1900 SW 4th, Room 2500B (City's BDS bldg, 2 doors down from NWR)

If you are interested, please join us for an informal briefing, status update and Q&A on the City's outfall investigations in Portland Harbor. This will include a discussion of the City's preliminary findings from their evaluation of "end of the outfall" data for their outfalls throughout the harbor.
